## WHAT WE LEARNED THIS FALL

We had a fantastic Fall using our new curriculum, "Simply Loved"! In "Simply Loved", we believe that faith isn't a subject to be mastered, but a relationship to grow!

Thanks to our energetic Cornerstone Kids Team, our Cornerstone Kids had a blast learning that God always loves us, we can trust God, and Jesus loves everyone. As we discussed Christmas, the kiddos learned about the greatest gift that God gave us: Jesus.

**"Dear friends, since God loved us that much, we surely ought to love each other. No one has ever seen God. But if we love each other, God lives in us, and his love is brought to full expression in us."**

1 John 4:11-12

## COMING THIS SPRING

Through hands-on activities, videos, games, stories, and interactive lessons, our Cornerstone Kids will learn these important ideas to help develop their relationship with God:

- God is good no matter what...even when life is unfair.
- God is good no matter what...and can turn bad into good.
- God is good no matter what...and will help us.
- God is good no matter what...and has a plan for us.
- God takes care of us...so we care for others.
- God takes care of us...even when we feel like we're not good enough.
- God takes care of us...when we need rescuing
- God takes care of us...and always makes a way for us.
- Jesus rescues us...in unexpected ways.
- Jesus rescues us...through God's power.
- Jesus rescues us...even when we don't deserve it.
- Jesus rescues us...and fills us with joy!
